

Spring Sign - Take Down Instructions

Ensure the side velcro tabs are folded into the inside of the spring sign.

Stand the spring sign up on its edge.

Place arm in middle of sign and apply pressure.

Fold sign in half, meeting top to bottom.

Grip top edge and bottom edge together and hold firmly.

Firmly grip left and right edges and pull together.

Fold front section down and into the centre.

The rest of the sign will collapse in. Store in supplied zippered carry bag.
